

*Please Help Support the Efforts of
The Heart of Henderson*

We truly appreciate your donations. In order to keep all citizens of the Town of Henderson informed and up to date on the issues of industrial wind development, unfortunately it takes money to maintain a website, send out mailings and advertise our concern regarding the issues in the Town of Henderson. Any and all contributions are welcome.

We are very grateful for any amount you can give and we would love to have you join our organization!

Membership forms can be found on the JOIN HOH page. Thank you again.

*Donations may be made out to
The Heart of Henderson
Please send to P.O. Box 31, Henderson, NY 13650*
