

The Heart of Henderson invites YOU to JOIN OUR ORGANIZATION!!

We would like to invite you to become a member of

The Heart of Henderson - 2010

We are working together to keep Henderson beautiful and prevent the development of INDUSTRIAL WIND FACILITIES in our town. The Galloo Wind Project and subsequent transmission lines are a HUGE threat to our residents in the Town and along the shore. This project threatens migrating bird flyways, bat populations that control insects, and endangered species on and around Galloo Island.

This project, proposed by Upstate NY Power Corp will drive down property values by as much as 40%, reduce tourism and affect the economy and way of life of everyone in the Town of Henderson. Fish stocks will be blasted as Upstate NY Power Corp takes transmission lines underwater until landfall. FAA required lighting means we will not be able to see the stars at night.

We have taken our concerns to the Town Board and Jefferson County legislators. We are NOT out of the woods yet.

The only way to stop this calamity is to SHOW UP AT TOWN BOARD MEETINGS AND COUNTY PLANNING SESSIONS! If we sit idly by, then we cannot object to industrialization of our beautiful Town.

If you can come join us, give us your ideas/feedback, donate to our cause, care enough to take officials to task so they will do what is right for the citizens, we HAVE a fighting chance to be able to stop this. Please help us win this one for all of Henderson's residents. Visit our website at www.heartofhendersonny.org to see what we are all about and please fill out the membership form and come to our meetings. Thank you.

Meetings will be announced by email where possible. Let us know if you don't have email and we call you at whatever number you provide.

THE HEART OF HENDERSON
Membership Form for the Year 2010

Dues are \$10.00 per year per family household. Donations are gladly accepted!

Name(s)_____

Henderson
